

PURCHASE REQUEST / ENGINEERING RELEASE

Request PR-FAULTLINE-2387 | revision 1 | owner: Electronics Procurement

Need and specification

Production requires **2,387 pieces** of **Northstar Logic QW-MCU9-DEMO**. Accept only **QFN-48 / revision R3 / NEW** material. Alternate parts and substitute revisions are prohibited.

Base and quantity unit	piece / piece
Landed budget ceiling	SGD 22,000.00, inclusive of freight and every mandatory fee
Tax treatment	GST excluded; compare quotes on the same EXCLUDED basis
Planned order	3 November 2026
Required arrival	No later than 17 November 2026
Delivery location	SG-QUAL-LAB-07

Decision instruction

First rank feasible quotations by **lowest confirmed total cost**. If the primary step leaves more than one candidate, use **fastest confirmed delivery** as the secondary criterion. Unknown charges remain unknown and are never treated as zero.
